

Hearing:

YWB-tv

Late addission

Proudly presents:

Our host of the show
this snowy afternoon

Mr H. Polepole flying inn from Tanzania

Our guests of today:

Ane Marie Ottosen

Janus Kleist

And with us in the studio we have
our wonderful audience

Applause!

Do we see elements of dilution?

What makes us Greenlandic?

If we consider the social relations in the past and the present amongst the Greenlandic society

What makes this (our) generation different from our parents? Do we see any development either positive or negative?

Concluding notes:

create moments of conviviality and mutual understandings

Community in collective action!

Direct challenges and opportunities into moving pictures

Creative CSCL give voice to the culture of silence

What is to be done?

Call for creative and user-friendly open source software

Greenland Online, on Greenlandic conditions

More creative PBL and CSCL youth-empowerment

Challenging Monopoly

Easy access globally!
